

SOCIAL and PERSONAL

A TELEGRAM received yesterday from Dr. Jacob Michaux, who was called to Cincinnati several days ago, on account of the serious illness of his nephew, Mr. James Beverly Harvie, Jr., reported Mr. Harvie better, and announced the doctor's return to Richmond today.

Mr. Harvie's father and Miss Sarah Chamberlayne, Mrs. Harvie's sister, have been in Cincinnati several days and will remain there until Mr. Harvie is on the high road to recovery.

Miss Hobson Engaged.
Mr. and Mrs. George G. Hobson, of Norfolk, have announced the engagement of their daughter, Lella Baker, to Midshipman Vaughn V. Woodward, U. S. N., of Charleston, W. Va. The wedding will take place in November, and as the prospective bride is a great social favorite in Norfolk, the announcement is one of decided interest. Midshipman Woodward is a member of the class of 1907 at the Naval Academy.

Mrs. Miles Returned.
Mrs. Alfred Hart Miles, wife of Lieutenant Miles, of the United States Navy, who has been with her husband on the Pacific coast since last April, turned her face toward the East when the fleet to which Lieutenant Miles's ship, the Kentucky, is attached, left for Honolulu, and reached Richmond on Thursday last.

She was a guest in the home of Mrs. George Merrill, No. 107 East Cary Street, until Saturday, when she left for the home of her parents, Mr. and Mrs. Lyon G. Tyler, of Williamsburg. She will remain with them until the tour around the world brings Lieutenant Miles again to the Atlantic side of the continent.

Mrs. Miles's marriage took place in the autumn at Bruton Church, Williamsburg, not long before the ships sailed for San Francisco. She met the fleet in Southern California last spring and traveled from Los Angeles to Seattle, Wash., as the Kentucky passed on, touching at different points. Her stock of experience and observation, gained during her Western tour, was comprehensive and varied.

Her many Virginia relatives and friends have given her a most cordial welcome home.

Patriotic Menu.
The Washington Star of Sunday had the following item of interest connected with Mrs. Lee, who is traveling abroad:

"Miss Mary Custis Lee was the hostess at an Independence Day reception and tea at Hamburg-von-der-Gohne. The chief dishes that day on the dinner menu at a hotel at this same German spa were: Conchitos; Roosevelt; filet de saumon; Lafayette mousseline; folie gras Alsacien; poule au lait; la Yankee; bombe d'Alsace; gateau St. Francois."

Wedding Date Announced.
The date for the marriage of Miss Carrie Warfield, daughter of Governor and Mrs. Warfield, of Maryland, and Mr. William Harris, of Birmingham, N. Y., was announced some months ago, has been set for the month of October. The wedding will be celebrated at Oakdale, in Howard county, the country home of the bride's parents. It will be a very fashionable affair.

\$1.50 and \$1.25 Lingerie Waists now 69c

We secured these Waists from a New York manufacturer at about half the original selling prices. We were favored on account of the large purchases made of the regular lines during the year, and because he appreciates the value of our business. And we are treating you likewise. Although the Waists would readily bring greater prices than we are asking, we are seeking your good-will, and for that reason offering them at such exceptionally low prices.

BETTER THAN GOLD
Food That Rebuilds Body and Brain.

"I owe a debt of gratitude to Grape-Nuts," writes a young man, "and am glad of this opportunity to pay a little interest on it, although the debt itself I can never hope to remove."

"A few years ago I broke down from overwork and fatigue, and was then in a preparatory school, and my fondest wish was to enter college the following year."

"But about the middle of the term my health failed, and my brain refused to grasp the subjects presented to it. Finally, my eyesight giving way, I was taken from the school and sent to my grandmother's in the country, with orders not to open a book while I was there."

"The dear old lady tried every way to console and nurse me back to health, but it looked like failure until the day she brought back from town a box, which had its contents been pure gold, would have been of less value to me than the little golden-brown granules which it actually contained."

"I did not care about being experimented on at first, but that was before I had tasted Grape-Nuts with Grandmother's rich Jersey cream."

"Oh! it was too good to stop eating. And I never have stopped, for I still have Grape-Nuts for breakfast."

"In the course of a few weeks I was back at school again, my health so entirely restored that I was almost a new girl."

"I am now in my junior year at college, president of my class, and expect to take an A. M. degree next year. My good health has continued, and my eyes, having been strengthened by the general build-up of my whole body, enable me to study all I wish."

"There's a Reason." Name given by Postum Co., Battle Creek, Mich. Read "The Road to Wellville," in pages.

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

CAR-BREAKERS GET HEAVY PENALTY

Henrico Negroes Given Twenty and Fifteen Years for Series of Bold Crimes.

James Roane and Joseph Twyne, notorious negro criminals, who, given enough to last them for a while in the Henrico Circuit Court yesterday. In the latter part of last May they were committed to the County Jail to await trial for car-breaking. In return for various thefts from the contents of freight cars, Roane got twenty years on the roads and Twyne was sent on for a term of fifteen years.

There were four different indictments against Roane, on each of which he was convicted and given five years, the total amounting to a straight term of twenty years. Twyne, also a notorious rogue, was held with three indictments against him, on each of which he received a sentence of five years, his total being fifteen. They are now in the county jail awaiting trial on a charge of breaking into the new and more strenuous service.

Piano Movers Acquitted.
Charged by J. P. Knight of Henrico county with breaking into his house and removing a piano therefrom, Robert Ruge, William Pleasant, William White, Carter, and E. T. Nichols were acquitted yesterday in the Henrico Circuit Court. Knight bought the piano with the understanding that he would pay for it by instalments. It was alleged that he had not met the conditions of the contract, and so, acting for the company, which sold Knight the piano, the defendant entered the house and carried the instrument away.

Judge Scott's opinion was that, while they had no right to break into the man's house, they were acting in good faith in the manner they chose to seize the property and were therefore not guilty of felonious conduct.

Samuels Not Guilty.
Squire Thomas's decision in the case against John Samuels and Hatfield Martin, several weeks ago, was upheld yesterday in the Circuit Court. The magistrate had Martin and Samuels, some time ago, engaged in a fight, and the evidence showed that Samuels used only his fist, while Martin brought into play a heavy iron hook. Samuels' fine was \$25.00, and Martin required to pay a fine of \$10. Both took an appeal to the higher court.

In the case of Samuels, yesterday, Samuels was acquitted and Martin's fine increased to \$15.

Holding May Be Released.
John Bolding, who was put in the county jail in London, during his way here on a freight train, and who has been ill there for the last three days, now has a good prospect of freedom. Sheriff Garrett received a letter yesterday from Chief of Police Robinson, of Fredericksburg, inquiring the amount of Bolding's fine and cost, that he might inform the boy's father, who would send the authorities a check. It is probable that he will be set free to-day.

Heard and Seen in Public Places

FORMER Congressman Harry St. George Tucker, of Lexington, is registered at Murry's, where he came up last night from princess Anne county, where he attended court yesterday and shot with a number of voters. Mr. Tucker appears to have strong faith in Democratic prospects, and expresses the hope that he and Kern have a good chance to win.

"I wired my congratulations to Mr. Bryan," said Tucker, "and told him to command me at any time and anywhere my services might be needed in the campaign."

"One of the probable success of our ticket this fall," said Mr. Tucker, "is that we have started out right. We have got the bulk of our voters to get started, and if we can hold it, we will be all right. The declaration of our leaders of their intentions to publish the list of the contributors to our campaign fund has put the Republicans in a hole, and we should expect them to cry on it, and other which are already numerous and evident."
